But before finalizing your order, make sure you log into AmazonSmile on a mobile web browser or desktop computer to place your order. Always double check to ensure you are logged into AmazonSmile, because you will see this banner on the top of your web browser page.

**Box Tops for Education** – BTE have gone digital! They still have physical Box Tops that are printed on boxes and products that are currently on shelves and will be phasing out over the next 2 years. We will need to clip all the traditional Box Tops for Education coupons and will be mailing them in twice a year on November 1<sup>st</sup> and March 1<sup>st</sup>.

However, all new products going forward will just have their logo printed on your product that will trigger you to scan your receipt using their new app. You will need to download their new app on your phone (compatible with iOS and Android), you need to register your app with our school Tempe Montessori School and scan your receipts within 2 weeks of purchasing the products to claim the Box Tops points.
